

See You at Our October Events

Scan to see

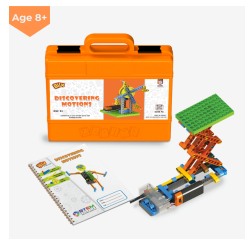

all 15 kits

Hands-on STEM & robotics kits, ages 5+ with real gears, real motors, no screens.
Come see what your child can build, and meet us in person this October.

15 BLIX STEM & ROBOTICS KITS

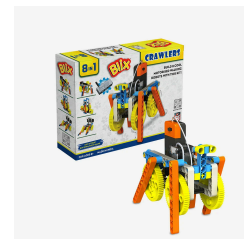

RC Megastructures

Discovering Motions

Amusement Park

Crawlers

Real Gears & Motors

True mechanical motion, not
a toy on rails

2.4 GHz Remote Control

Build it, then drive it around
the house

Step-by-Step Manuals

Every kit, every step, built by
the kid

Ages 5+ · No Screens

Hands on real machines, not
tablets
